

Arabic Fluency Certificate

The Arabic Fluency Certificate is designed by Talal Abu-Ghazaleh International University (TAGI-UNI) to contribute to the dissemination of the Arabic language and its culture, enhance its value globally and ensure the standardization of the assessment of the linguistic level of native speakers and non-native speakers. This unique certificate also makes it easier for professional and academic institutions to assess with credibility and high quality the level of candidates through a standard test that covers all the skills in the Arabic language. TAGI-UNI designed and developed this test to be the most professional tool for determining the level of candidates in Arabic language with the utmost accuracy and objectivity.

Furthermore, the Arabic Fluency Test consists of five sections; Reading, Grammar & Vocabulary, Listening, Speaking, and Writing.

Noting that we offer a training system that qualifies for the test through the Fluency in Arabic Language Skills book and through the accredited centers, which offers the skills required to be learnt and mastered before entering the test.

Also we can coordinate to hold Arabic language courses for all levels, ages and for all purposes.
