PROFESSIONAL RESPONSIBILITY

We believe it is our obligation to adapt and abide by the most ethical professional principles. All TAG-Audit services are rooted in integrity and carried out with diligence. We strive for perfection and creating a professional role model for others to follow.

CORPORATE OPERATION STANDARDS

The firm implements a general framework of policies concerning professional practices, management, and the execution of audit programs throughout its offices, which makes TAG-Audit uniform as a group, yet still allows individual contributions to positively influence our progress and development. We have a dedicated quality control department that requires each office to regularly undergo a peer review, carried out by other TAG-Audit offices, to confirm that the

method and quality of work is consistent with that of our network worldwide.

OUR PEOPLE

Our firm's strength comes from its people. We are proud of the mixed nationalities and diversified backgrounds that characterize our staff. TAG-Audit has dedicated itself to hiring not only experienced staff, but also it recruits junior staff from universities across the world to ensure a wealth of varied knowledge. All of our staff are professionally qualified, many of which are holding internationally accredited professional certificates e.g., CPA, ACCA, ACPA, CMA, CISA..etc.

CONTINUOUS DEVELOPMENT

We constantly design and implement development programs aimed at improving our ability to provide the highest quality and the most comprehensive array of service to our clients. Each employee belongs to a team of

professionals. Each is personally committed to the improvement of our services to our clients.

It is TAG-Audit's policy that every staff has to complete the annual required training hours as a part of continues education program to import the staff capacity and be updated with changes and development to the profession and the standards.

EVALUATION AND PROMOTION

The staff is continually challenged with TAG-Audit's standards and expectations regarding responsibilities and client assignments. The implementation of assignment are always evaluated as well as the audit staff are regularly evaluated to ensure that we deliver exceptional service to our clients.
