ABOUT TAGIMetric

Welcome to TAGIMetric

TAGIMetric is a unique concept that acts as a one-stop shop for hosting examinations and assessments, bringing together a globally recognized examination under one roof.

TAGIMetric is a secure testing center equipped with web-accessed monitoring services and student authentication facilities using the latest biometric technology.

Our premises are staffed by highly trained professionals with a wealth of experience in providing first-class services to private businesses, institutions and corporations. These services are designed to address the demand for entry and exit tests, skill level exams and much more.

We have a range of partnerships with well-known examination providers, both online and traditional. We develop tailored assessment packages based on a client's needs.

We provide a range of offices for face-to-face interviews, large examination halls that can be equipped with computers for online testing, and a dedicated area for online examinations offered through partners such as Pearson Vue.

Through agreements with well-known universities and professional associations, we adopt their examinations at our TAGIMetric centers.
